Product Description

Bad Boy ZT Avenger 60" Kohler 7000 Zero-Turn Mower BAZ60KT745

The ZT Avenger is our biggest value for the residential homeowner. It sports the same build quality and durability of every Bad Boy Mower before it, with all the power and performance you'd expect, and a price you probably wouldn't.

We're known for building the sturdiest decks in the industry. Step on the deck of the ZT Avenger and compare it to other mowers in this price range. You'll feel the difference in strength in no time.

The floorboard lifts up to expose most serviceable components to make cleaning and maintenance even more convenient. The no-slip mat is attached directly to floorboard, so you know it'll stay in place.
