Product Description

Bad Boy 30 Series 3026 Compact Tractor w/ Loader

The 3026 offers unbeatable Compact performance for your farm, business, or property. Its longer frame size, larger tires, and higher ground clearance can handle just about any workload. The power is in your hands with the easy-to-read digital control display. Operate anything from the PTO to the front loader, right at your fingertips. Power steering makes the job even easier with effortless direction control. Every Bad Boy features legendary comfort and quality. The premium seat reduces fatigue so you can keep pushing forward. The adjustable seat flips up and back for ideal rear backhoe operation.
