Product Description

SnowEx Wireless Utility Poly Tailgate Spreader - SR-210

There's no need to run an electrical harness from the spreader to the cab when using the SnowEx® SR-210 wireless tailgate spreader. Designed to handle bagged rock salt, this plug-and-play unit features a vertical high-flow auger with a patented spinner motor for rock-solid performance.

- Capacity: 3.0 cu ft
 - Material: Salt
 - Standard Mounts: 2" Receiver (+3 Additional Options)
-
