Product Description

TYM T224H with Belly Mower Sub-Compact Tractor

Searching for a TYM tractor that blends power with agility? Meet the T224, a sub-compact tractor perfect for ambitious homesteads, thriving farms, or busy commercial properties. As a sub-compact tractor, it's a perfect starter tractor for newcomers to agricultural and landscaping machinery, but it's also robust enough to tackle the regular maintenance and challenges required in commercial farms and operations. Take a closer look at its features to see how the T224 meets—and exceeds—all your needs.
